

# Call for applicants for the 6-months Postgraduate Biomedical Technology Certificate Training

**February - July 2019**

**Application Deadline 15 January 2019**

**Successful applicants to be notified by the 20<sup>th</sup> of January 2019**

**Program to start on the 1<sup>st</sup> of February 2019**

**Background:** Chinhoyi University of Technology (CUT) and the African Institute of Biomedical Science and Technology (AiBST) have partnered to deliver a world class 6-months postgraduate biomedical technology certificate training. The course has been approved by the Zimbabwe Council for Higher Education (Zimche)

**Course duration:** 6-months Full time

**Entry Qualification:** A BSc or related life sciences degree pass. Electronically submit the following; application & motivation letter, degree certificates & transcripts, curriculum vitae, statement of commitment to attend on a fulltime basis & ability pay the stated fees.

**Contact:** Submit documents to [tafadzwanzirap@gmail.com](mailto:tafadzwanzirap@gmail.com) or [kchitindingu@gmail.com](mailto:kchitindingu@gmail.com)

**Scope of Training:** The course will cover key modules that include Laboratory Quality Assurance & Management, Biostatistics & Research Methods, Analytics (spectroscopy, HPLC and LC-MSMS) and molecular diagnostics (PCR, RT-PCR and Sanger Sequencing).

**Faculty:** The course will be taught by highly qualified researchers in pharmaceutical and genomic sciences. It will also include contributions by leading experts in highly successful medical laboratories and research groups in Zimbabwe, who are prospective employers of graduates of this course.

**Employment Prospects:** Biomedical Research Laboratories and Diagnostics Labs that are increasingly adopting advanced bioanalytical and molecular technologies. Enhances candidature for Masters and PhD studies in national, regional and international Universities that are looking for students with hands-on laboratory expertise.

**Fees:** A fee of 2 000 \$ (rtgs) is required and can be made in two installments, half at the start of the program and the other half midway the program.

**Number of students:** Limited to 10 students per intake!
