RESEARCH METHODOLOGY/PROPOSAL WRITING COURSE

VIRTUAL TRAINING

Dates: 9-11 March 2021

The University of Zimbabwe Faculty of Medicine and Health Sciences Research Support Centre is delighted to announce a virtual training on Research Methodology/Proposal Writing course on 9-11 March via zoom.

Course Description

This course provides an intensive introduction to Research Methodology (including problem identification, research designs, data collection methods, dissemination and implementation science concepts) with a focus in developing skills in proposal writing. The course introduces a range of research tools and researchers will be equipped to plan and implement their research.

Target group: This course is suitable for junior researchers including undergraduate and postgraduate students, and faculty members involved in health research.

Registration Fee: USD 20.00.

If interested complete registration form and submit with the proof of payment to rsc@medschool.ac.zw and copy pure.chandiwana@gmail.com
