

**African Forum for Research
and Education in Health**

UNIVERSITY OF ZIMBABWE

Invitation to exhibit at the 5th AFREhealth Annual symposium

2-4 August 2022

**At Harare International
Conference Centre HICC**

**US\$750
for 3 days**

The University of Zimbabwe in conjunction with the African Forum for Research Education in Health (AFREhealth) will be the hosts for the 5th AFREhealth symposium. This symposium attracts researchers, healthcare providers and training institutions from Zimbabwe, Africa Region and beyond. We are expecting over 300 participants to attend and it will provide you with an excellent platform to broaden your sphere of influence regionally and beyond.
